

Neutral Zone Scouting Report

Matt Schoephoerster #1 (G, 6'2", 165, St. Thomas Academy, 04/29/2004) – Big-athletic goalie that is technically sound. He has above average feet and moves well laterally. He competed hard the whole weekend and faced over 240 shots with little help from his team at times. He made multiple backdoor saves that he had no business stopping. Only knock on him this weekend was some poor decision making when playing the puck. Impressive weekend and should have a solid junior and NCAA career ahead of him.
Grade: A-
